#### INDEPENDENT AUDITORS' REPORT

To the Board of Directors Wuqu' Kawoq S.A. dba Maya Health Alliance Bethel, Vermont

We have audited the accompanying financial statements of Wuqu' Kawoq S.A. dba Maya Health Alliance (a nonprofit organization) which comprise the statement of financial position as of December 31, 2016 and the related statements of activities and cash flows for the year then ended and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

# Harris & Co. PLLC

## **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Wuqu' Kawoq S.A. dba Maya Health Alliance as of December 31, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### Note A – Significant Accounting Policies

Nature of Organization

Wuqu' Kawoq S.A. dba Maya Health Alliance (the Organization) is a not-for-profit corporation established in 2007 in Bethel, Vermont, to provide health care to those who can't afford traditional services in rural Guatemala. The Organization is dedicated to overcoming barriers to health-uniting medicine, culture, and language.

**Programs** 

Health Care – The Organization's Health Care Program includes a primary care and women's health clinic, child nutrition services, chronic disease diagnoses and treatment, and clean water systems.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Basis of Presentation

The Organization reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

Use of Estimates

The Organization uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Organization considers all unrestricted, short-term, highly liquid investments purchased with a maturity of three months or less to be cash equivalents.

### Note A – Significant Accounting Policies (Continued)

### Concentration of Credit Risk

Cash accounts at U.S. financial institutions are insured by the Federal Deposit Insurance Corporation for up to \$250,000. At December 31, 2016 the Organization's uninsured cash balances totaled \$9,806, which was held in foreign bank accounts.

#### Investments

Investments in publicly traded securities with readily determinable fair values are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in unrestricted net assets if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized.

#### Fair Value

The Organization uses fair value for reporting financial assets and liabilities. A hierarchy for reporting the reliability of input measurements is used to assess fair value for all assets and liabilities. Fair value is defined as the selling price that would be received for an asset, or paid to transfer a liability, in the principal or most advantageous market on the measurement date. The hierarchy established prioritizes fair value measurements based on the types of inputs used in the valuation technique. Certain financial instruments are carried at cost on the balance sheet, which approximates fair value due to their short term, highly liquid nature.

### Property and Equipment

Equipment and furniture is stated at cost or, if donated, at the estimated fair market value at the date of donation. Expenditures for major renewals and betterments that extend the useful lives of furniture and equipment that cost over \$1,000 are capitalized. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets, which range from three to thirty nine years.

### Medication and supplies

Medications and medical supplies are stated at cost. Donated items are recorded at estimated fair value at the date of donation. The medication and supplies are used in the program and are not held for sale.

### Note A – Significant Accounting Policies (Continued)

#### Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and\or nature of any donor restrictions. All donor-restricted contributions are reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose of restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Contributions and grants received with temporary restrictions that are met in the same reporting period are reported as unrestricted support and increase unrestricted net assets.

#### In-kind Donations

Contributions of donated noncash assets are recorded at their fair values in the period received. Contributed services are reflected in the financial statements at the fair value of the services received. The contributions of services are recognized if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. For the year ended December 31, 2016, donated goods were valued at \$12,415.

### Functional Allocation of Expenses

The costs of providing the various programs and supporting services have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited. General and administrative expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

#### Income Tax Status

The Organization is classified as a Section 501(c)(3) Organization that is exempt from income taxes under the Federal Internal Revenue Code. Accordingly, no provision for income taxes is made in the financial statements.

### Note A – Significant Accounting Policies (Continued)

Uncertain Tax Positions

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Organization may recognize tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities for fiscal year 2016.

The Organization files Form 990 in the U.S. federal jurisdiction. The Organization is generally no longer subject to examination by the Internal Revenue Service for years before 2013.

Subsequent Events

The Organization has evaluated subsequent events through February 5, 2018, which is the date the financial statements were available to be issued.

### Note B – Property And Equipment

At December 31, 2016 property and equipment consists of the following:

Land	\$	6,000
Buildings		23,304
Furniture and Equipment		26,398
Vehicles		29,750
Less accumulated depreciation		85,452 41,631
	<u>\$</u>	43,821

For the year ended December 31, 2016, the Organization recognized \$10,506 in depreciation expense.

#### Note C – Investments

Investments as of December 31, 2016 are summarized as follows:

Cost	\$ 2,492
Unrealized loss	 (67)
	, ,
Fair value	\$ 2,425

Investments consist of 33 common stock shares of Eli Lilly and Company. The shares are carried in the financial statements at fair value. The securities are considered available-for-sale securities. Available-for-sale securities are carried in the financial statements at fair value. The investment has been fair valued using unadjusted quoted prices for identical assets in active market and is considered a Level 1 asset.

Investment income consists of the following for the years ended December 31, 2016:

Interest and dividends	\$ 231
Unrealized loss	 (67)
	\$ 164

### Note D – Temporarily Restricted Net Assets

At December 31, 2016, temporarily restricted net assets are comprised of contributions given for use in particular programs and activities. The following restrictions apply:

Restricted for medical education programs \$ 84,369

## Note E – Foreign Currency Translation

Substantially all assets and liabilities of Wuqu' Kawoq S.A. dba Maya Health Alliance are translated at year-end exchange rates; support and revenue and expenses are translated at the average exchange rates during the year. Translation adjustments for such assets and liabilities are accumulated in unrestricted net assets and the accumulated unrealized loss was \$12,612 as of December 31, 2016. Gains and losses from foreign currency translation for the period are included in the statement of activities.

### Note F - Leases

The Organization has two facility leases with monthly rent payments of \$323 and \$375. The leases expire on December 31, 2017. Total rent expense for the year ended December 31, 2016 was \$10,521. These leases had not yet been renewed as of the date of these financial statements.

Future minimum lease payments under this lease for the year ended December 31, 2016 are as follows:

2017 **\$** 8,372
